

# NEW! MICROBAN PROVIDES 24 HOUR SANITIZATION AGAINST BACTERIA

Microban kills 99.9% of bacteria in 5 minutes, and keeps killing for 24 hours

- Cleans and sanitizes in one step
- Protects against bacteria between cleanings for up to 24 hours
- Suitable for everyday use

every experience counts.™

P&G  
Professional™

Traditional sanitization / disinfection products may clean and / or disinfect, but do not keep working after initial contact leaving surfaces, vulnerable to re-contamination. Microban technology provides 24 hours of protection from bacteria growth even after multiple touches.
